EXTRA NOTES & REF:

TO: The Angel of the Assembly/Church in Thyatira
Thyatira = a church of compromise even though it had great works

FROM: The Son of God who has eyes like a flame of fire and His feet are like burnished bronze.

ACKNOWLEDGEMENT OF DEEDS:

- Your works, and love, and service, and faith, and your endurance.
- And that your works of late are greater than at first.

CRITICISM:

You tolerate the woman, Jezebel who calls herself a prophetess to teach and lead My servants astray to commit whoring and to eat food offered to idols.....

This woman Christ is referring to is the personification of a woman who lived in Israel 800 years earlier. The name Jezebel is picked up from 1 Kings 13:31. An evil woman who influenced King Ahab of Israel to worship the Canaanite gods...Baal. The Lord's choice of name suggests the level of hate He has for the woman. It also indicates the practices, vibrations, teachings, and personification of evil that she represented in her relationship with the MIND of Satan and his ways of pulling the children/church of God away from Him.

She calls herself a prophetess - but she is not a messenger of God nor does she have authority from God. She is the depths of counterfeitedness, compromised teachings and anti-messiah spirit - leading and teaching the children of God away from His truth and equalizing what she offers with the Truth and lower the Truth to that of Satan.

Christ states He gave her time to repent - indicating the problem has been going on for a long time. A willful refusal results in a direct action from the Lord. She clearly has access to upper demon/spirit power and dominion - and not desiring to be free from the power and what she is receiving to desire the union with Christ.

- Casting her into a bed of sickness - soon
- I will cast those who commit adultery with her (physically and spiritually) into great tribulation. And I will kill her children with pestilence - (case can be made for either physical or spiritual children (those who follow her teachings)).
- The degrees & depths of the seriousness of this level of evil require this resolve.
 - The church of Smyrna faced a synagogue of Satan
 - The church of Pergamum lived where Satan's throne is
 - Thyatira (here) fought against the deep things of Satan
 - The level & depth of satanic involvement in the church should not be underestimated!

EXHORTATION - URGING:

Nevertheless what you have hold fast. - Although the Lord does not want to add another burden to his faithful bond-servants - they must hold fast. There is an issue of urgency.

- Until I come.. Both a near and future time implication.
- For the rest who are in Thyatira (who did not hold to this teaching of Jezebel & did not know the deep things/depths/Mind of Satan) - I will place no other burden on you.

PROMISE TO ALL THE ASSEMBLIES/CHURCHES:

The churches will know that I (Christ) Am the ONE searching their minds/kidneys & hearts... Each church promised to be dealt with according to their deeds. Thus every church will be able to determine the nature of every other church's obedience or disobedience.

- And he who overcomes:
 - and he who keeps My deeds until the end, to him I will give: authority over the nations
 - and he shall rule them with a rod iron, as the vessels of the potter are broken to pieces as I also have received authority from My Father, and I will give him the morning star.
